

# *Clean In, Clean Out*

## Incentives for Physician Involvement

During the month of the May in honor of the World Health Organization's Hand Hygiene Day on May 5

...the **service with the most unique physician observers** will receive catered snacks at their next department meeting to celebrate!

- So start observing and giving feedback: [Directions](#) and submission of observations for:
  - [One location](#)
  - [Multiple locations](#)
  - [Operating rooms](#)
- *And, earn MOC part IV credit by participating too!*
  - Details available at: <https://www.med.unc.edu/ihqi/moc-unc/clean-in-clean-out>
