

How to Register for The National LGBT Health Education Center Webinars

Before registering for specific webinars, you must first create an account with The National LGBT Health Education Center. [Click here to go to the New User Registration Page.](#) **For HEI credit, you MUST complete the entire form.**

If you already have an account, when logging in you will be prompted to update your information so that you can receive HEI credit. Please take the time to **enter your facility ID as noted below.**

The screenshot shows the 'New User Registration' page of The National LGBT Health Education Center. The page includes a navigation bar with links like Home, About Us, Education, etc. The main content area is titled 'New User Registration' and contains several sections: 'Account Information' (Email, Create A Password), 'Personal Information' (First Name, Last Name, City, State/Province, Postal Code, Country), 'Organization Information' (Facility/Company Name, Title, Type of Organization, Primary Role(s)), and a section for HEI training credit. A 'Register' button is at the bottom. Callouts provide instructions: a green box notes 'Passwords must be a minimum of 6 characters long.'; a red box notes 'Enter the Facility ID provided by your organization. If you do not have the Facility ID, use the [lookup tool](#) to find it.'; another red box notes 'Click YES here' next to the HEI credit question; and a final red box notes 'To complete your registration, click REGISTER after you have entered all of your information.'
