

Epic@UNC Playground now open to preview Go-Live #6 features

You can now visit the Epic@UNC Playground to preview new features that are coming July 22, 2017, with Go-Live #6. We recommend that everyone spend approximately two hours practicing your regular workflows in the Playground to get a feel for the changes that are coming July 22.

Steps to access the Epic@UNC Playground

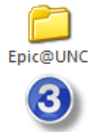

1. Visit Citrix at <https://csg.unch.unc.edu>.

NOTE: If you have not accessed Citrix before, you may have to download the Citrix Client. Use the hyperlink at the bottom of the webpage and follow the installation instructions.

2. Log in using your UNC Health Care user name and password.

NOTE: If you don't know your UNC Health Care credentials, contact the ISD Service Desk at 984-974-4357.

3. Select the Epic@UNC folder.

4. Select the Playground icon:

5. Log in to Playground using the appropriate login/password found at <http://uncmedne.ws/playground-logins>. After entering the Playground ID and password, the default login department will appear for that ID.
6. Contact the ISD Service Desk at 984-974-4357 if you have any issues logging-in to the Epic@UNC Playground.
7. Contact epictraining@unch.unc.edu if you have any questions about the Epic@UNC Playground.
