

“SLIPPERY SAM” CAMPAIGN

The Slippery Sam Crime Prevention Campaign is held annually to increase security awareness around the hospital, and remind employees of the importance of properly wearing their hospital ID badge.

Far too often, employees let their guards down and allow the criminal element to go unnoticed in their work places.

Please help us keep you and your co-workers safe by following the safety tips below:

- Wear your UNC Hospitals ID badge properly displayed at all times while in the hospitals complex. Encourage your co-workers to do the same. This helps us to identify ourselves to each other, as well as to patients and visitors that may need our assistance. It’s also hospital policy.**
- When entering and exiting secured Units or Areas in the hospital, be aware of others attempting to gain entry when the doors open. If they are not displaying hospital ID or required visitor passes, ask if you can assist them. They may be lost or may not realize they need a visitor pass for a particular patient care area. (All visitors to the Women’s & Children’s Units need a visitors pass 24/7. All visitors are required to obtain a pass to enter or remain in the hospitals complex after 9pm. Passes are obtained from the Children’s Information desk).**
- If you see unfamiliar people in your work area without visible ID, be customer service friendly and ask if you can help them. If they are lost, you can assist them in finding their way. If they have criminal intentions, they have just been alerted that someone is aware of them.**
- Secure your personal property. Keep valuable items at home. Lock your office door, even if just stepping away for a moment.**
- Pay attention to your surroundings. Immediately report suspicious persons or activities to Hospital’s Police Dispatch (984-974-3686).**

Working together we can keep UNC Hospitals a safe place for all of us, and discourage regular visits from Slippery Sam

Remember to be on the look-out.....Slippery Sam will make his arrival soon!

WANTED

For violating policies regarding the proper wear of UNC Health Care's photo ID badge.

Slippery Sam will be lurking around UNC Hospitals from December 01-January 02.

Identify your co-worker wearing the Slippery Sam UNC Health Care ID badge and you will be entered into a prize drawing.

UNC Hospitals' Police are serious about your SAFETY. Properly wearing your ID badge helps us keep our workplace safe.

For more info, contact UNC Hospitals' Police at 984-974-3686
