

MEMORANDUM #162

TO: UNCHCS Attending Physicians, Housestaff, Nursing Coordinators, Department Heads and Supervisors

FROM: *NKS* Nichole Korpi-Steiner, PhD, Director, Special Chemistry Laboratory

MHM Martha McGee, Director, McLendon Clinical Laboratories

HEU Herbert C. Whinna, MD, PhD, Medical Director, McLendon Clinical Laboratories

SUBJECT: **Discontinuation of Fluconazole Testing at UNC**

DATE: January 24, 2020

Effective January 27, 2020, testing for the antifungal Fluconazole (LAB5344) will be discontinued in the McLendon Clinical Laboratories Special Chemistry Lab due to low volume of test orders. Fluconazole testing will be available through Referral Testing Services as a send out lab if needed. Requests can be placed in EPIC using the Referral Lab Test Other order.

If you have any questions related to these changes, please contact Referral Testing at 984-974-1414 or Dr. Korpi-Steiner at 984-974-1498.
