ADDING THREE NEW ECHO CLINIC OPTIONS

You are invited to join UNC ECHO for MAT (Extension for Community Healthcare Outcomes for Medication Assisted Treatment) clinics. Do you have questions about becoming a prescriber of MAT or are you already prescribing? No matter where you are on the decision continuum, we can help. We are offering case-based learning sessions with addiction medicine experts.

FEEL FREE TO JOIN ANY OR ALL CLINICS, FOR THE ENTIRE SESSION OR PART OF THE SESSION.

After you complete a short introductory survey, CME credits will be awarded for each hour that you participate.

- To join from PC, Mac, Linux, iOS or Android: uncsph.zoom.us/j/522252736
- To join from telephone: (408) 638-0968 or (646) 558-8656
- Meeting ID: 522-252-736

For more information, please go to our website www.echo.unc.edu or contact us by email at echo@unc.edu or by phone at (919) 966-7104.

The UNC Extension for Community Healthcare Outcomes for Rural Primary Care Medication-Assisted Treatment (UNC ECHO for MAT) is made possible by funding from the Agency for Healthcare Research and Quality (AHRQ) Grant number: 1R18HS025065-01; the North Carolina Department of Health and Human Services, and the Substance Abuse and Mental Health Services Administration Opioid STR Grant number: 93.788.
