

March 2015

***March Madness Competition!!!
Help your donation site earn the
award for most items per employ-
ee for the month of March.**

The North Carolina Children's Hospital Community Involvement Work Group is collecting child friendly food donations to support our local Back Pack Program. On Friday afternoons, food is placed in qualifying elementary school students back packs to sustain them over the weekend.

Donation sites are set up on all Children's Hospital Floors, ICU's, Clinics, and Short Stay Units.

Any donations that you are able to supply are greatly appreciated!
