

Have you completed your online ICD-10 training in the LMS?

It's less than 7 months away until October 1st and the go-live of ICD-10 across our country's health care system! The majority of people completed their ICD-10 training by now, so we thank you and encourage you to re-visit your training as needed to re-acquaint yourself. For those that have not completed the training, we are setting a 5/31/15 goal of ICD-10 training completion. If you haven't completed the training, we encourage you to log in and complete it as soon as possible (link and directions to the UNC/Rex LMS below). For Caldwell, High Point, Johnston and Pardee Hospital, please log in at your sites ICD-10 training portal.

Thanks! If you have any questions, comments or concerns, please contact us [here](#). Also visit our website for more information about ICD-10 <http://news.unhealthcare.org/icd10>

For those applicable UNC/Rex users that haven't completed their ICD-10 training

1. Log into the LMS: <https://fed.unch.unc.edu/idp/hDCn8/resumeSAML20/idp/startSSO.ping>
2. Review and take your ICD-10 training on your "to-do" list

For those UNC/Rex users that want to review their completed ICD-10 training:

1. Log into the LMS: <https://fed.unch.unc.edu/idp/hDCn8/resumeSAML20/idp/startSSO.ping>
2. Search in the search box on the Learner page using "ICD-10" as your search word

A search box with the text "Search:" above it. Below the text is a text input field with a green arrow button to its right. Below the input field are two links: "Advanced Search" and "Search Tips".

3. Once you have located your course, Click the Start (or Register) button
