

UNC Hospitals, Ground Floor

From Friday until Sunday, April 6-8, 2018, a crane lift will take place in front of the Hospital. For the safety of patients, visitors, and employees, the areas outlined below will be closed off during this time.

The **Corner Café** will take over the Terrace Café's normal hours.

Inside areas closed: Children's Lobby, the Terrace Café, and Children's visitor elevators will close Friday night after Hospital Visiting Hours are over. These areas will become accessible again on Sunday morning (conditions allowing).

Outside area closed: The area in front of the Hospital that is outlined will be inaccessible from Friday afternoon until Sunday morning. The Children's, Women's and Starbucks hallway entrances will be closed during this time.

- ★ **Ground floor entrances open** during Crane Lift: Cancer Hospital, Main Entrance; Memorial Hospital, Main Entrance.
- ★ **Cancer Hospital, Manning Level Entrance.** Pick-up area for all discharged patients while Hospital Drive is closed.
- ✗ **Entrances closed** to be closed for crane lift.
- ↻ **Detour** around closed lobby area.
- Cancer Hospital, Visitor Elevators. These have access to Manning Level. Hospital entrance/exit on Manning Level is at end of the hall from elevator bank.

UNC Hospitals

Pedestrian and Vehicular Access to the UNC Medical Center from the Parking Decks while Hospital Drive area is closed on **April 6-8, 2018**
