Carolina Institute for Developmental Disabilities

# THE 2022 CIDD “VIRTUAL” COMMUNITY TALK SERIES PRESENTS:

## Introduction to Assessing and Treating Trauma in Individuals with I/DDs

Dr. Mankowski will review how experiences of trauma manifest in individuals with I/DDs and discuss important modifications for assessing and treating subsequent mental health and trauma reactions.

### *Jean Mankowski, Ph.D.*

*Dr. Jean Mankowski is a licensed psychologist and Clinical Assistant Professor who has practiced at the CIDD for 15 years. She specializes in the assessment and treatment of individuals with behavioral and/or psychiatric difficulties in the context of neurodevelopmental disability.*

#### **Learning Objectives:**

1. Develop a better understanding of types of trauma and how trauma manifests in individuals with intellectual and/or developmental disabilities (I/DDs)
2. Discuss the nuances of trauma assessments in individuals with I/DDs
3. Consider evidence-based practices to address trauma response and behavioral health needs in individuals with I/DDs from early childhood through adulthood

**Wednesday,  
Sept. 14, 2022  
6:30 – 8:00 pm**

**\* FREE via Zoom**
